

## **Job Title**

Senior Fellow (Non-resident)

## **Biography**

Christopher John Jenner is founder and Chair of the ASEAN–UK Forum; Research Fellow, Corbett Centre for Maritime Policy Studies, King’s College London; Research Fellow, Joint Services Command and Staff College, The Defence Academy of the United Kingdom; and Senior Fellow, Institute for China-America Studies. He holds Master of Studies and Doctor of Philosophy degrees in Modern History from the University of Oxford.

The extraordinary quality of Dr Jenner’s historiographical work has been recognised with prestigious awards including an Economic and Social Research Council Fellowship, which he held at Oxford University, 2011-13, and a First Sea Lord Fellowship, which commenced in 2016. He has held academic posts at the Diplomatic Academy of Vietnam, New England Centre for Homeless Veterans, University of London, University of Massachusetts, University of Oxford, and the William Joiner Centre for the Study of War and Social Consequences.

In addition to his academic work, Dr Jenner undertakes governmental analytical assignments, and has contributed to award-winning international television documentary series.
